Subject: Revised Food Service Management Guidance for State Agencies and  
School Food Authorities

To: STATE AGENCY DIRECTORS - Colorado ED, Iowa, Kansas, Missouri ED,  
(Child Nutrition Programs) Montana OPI, Nebraska ED, North Dakota,  
South Dakota, Utah, Wyoming ED

The issuance of the June 1995 guidance relating to school food authority contracts with food service management companies has duplicated some regional office policy memorandums or made others obsolete. The following policies are, therefore, being rescinded and should be removed from the consolidated master list which was issued on November 8, 1993:

SP 94-C-12 A La Carte Food Service Under Food Service Management Companies (FSMCs) (SP 13, 10-31-80)

SP 94-C-14 Competitive Procurement by Food Service Management Companies (FSMCs) (SP-92-185, 3-2-92)

SP 94-C-15 State Agency Guidance for Monitoring the Performance of Food Service Management Companies (SP 93-218, 3-30-93)

SP 94-C-16 Food Service Management Company (FSMC) Guidance (SP 93-212, 11-25-92)

Please note that SP 94-C-13 (SP-117 (Revised), 1-25-90), Prototype Food Service Management Contract from New York State, is being retained as reference material.

Please call this office if you have questions.
